V A I L

With miles of back bowl skiing, a gondola and speedy quad lifts, the Vail Valley reigns as the undisputed king of Colorado resort areas. Ideal terrains for skiing, snowboarding, snowmobiling and a dazzling setting for ice skating are supported by approximately 342 inches of annual snowfall. During the summer months, the majestic Rockies take on yet another air with the climate refreshing enough for mountain biking, fishing, golfing and hiking. Vail is a four-season destination with a variety of adventures any time of the year.
